

B12 (UK - B12 Records / WARP)

BIOGRAPHY

B12 are Mike Golding and Steven Rutter, considered pioneers of UK techno alongside Autechre, Aphex Twin and The Black Dog. The duo featured on Warp Records' Artificial Intelligence series and wrote some of the most arresting electronic music of the 90's. Their first two albums "Electro Soma" and "Time Tourist", both released on Warp, are considered classics of the genre and continue to influence a new generation of music producers. "Electro Soma" was re-released in 2016 together their new album "Electro Soma 2". In 2017 Warp decided to also re-release their critically acclaimed album "Time Tourist", the album that defined a

futurist vision of techno which is now copied over and over. Mike & Steve reunited to release new material while touring their ground breaking live set that strives to recreate their classic back catalogue by masterfully mixing the classic with the new.
